I wish the budget was bigger.

All the teachers and presenter was very nice and attentive and the info very clear

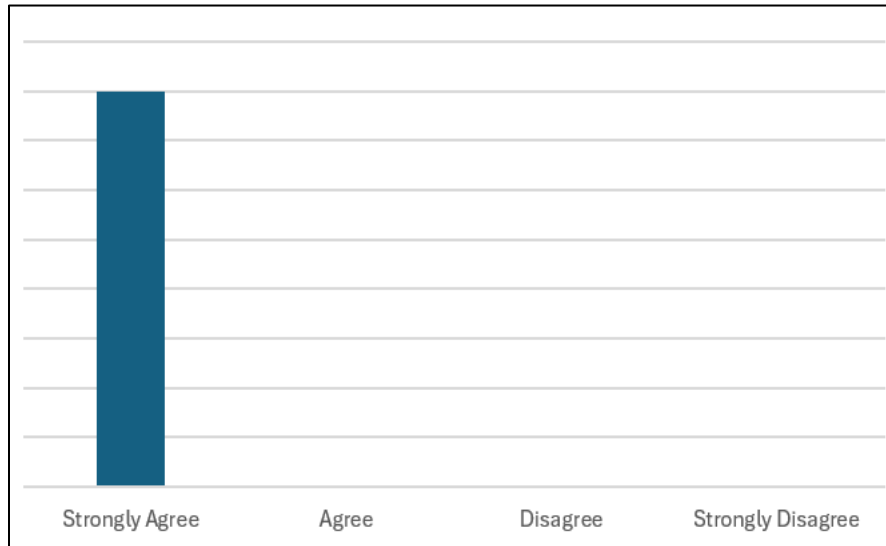

A big thank you from our family to the school (family)

It was surprising to learn how little money that the school has to work with

9) Schools must operate within their budget and too many fees can be unmanageable for families. Knowing that, which activities and services are most important to you? (please rank)

10) Do you agree that the activities our school provides (field trips, guest presentations, sporting activities etc) are important for your child's learning?

11) The school fees you pay are reasonable considering the benefit they provide your child? There are no fees charged at present!
